My dear Kathleen;

I am enchanted with the description of your home, the charming Photographs. - Holland seems to be the "Eldorado" for you!

Now, after your next American tour you must extend the field of your activity in new countries, Austria-Hungaria, France and last not least "Germany" which you have to conquer once more. -

There is no necessity to repeat that I shall be extremely glad to see you at Loschwitz. - I did not go there for the installation; Mrs. Stein went alone and, I am sure, she did make it better as I could. -

an "surprise" in a small city in January. - Keep note dear Father
and a letter to! With my best love to your both. D. Lovers

When Libel, come there for the
end of May. In two weeks I may
hear you 3-4 times. - For small
pieces I cannot recommend you
any of them. - My two new things
by Schumann and Chopin are in a
lyrical character, nothing virtuosic;
they will be printed until you arrive
and then we will see. - I like the walse
by Habsburg. - The Carnival walse is not
my favorite piece; but, if you play
it with conviction, lively and in the
highest perfection, it manages to make
his effect. - I see by the American
programmes that they like there the old
known pieces. Public, generally, is not
fond of musical news, accepted they are very
easy to seize. - All depends how it is
played and if it suits you. - Pooders
